CJ Nyakuhwa is a dynamic British-Zimbabwean fullback known for his tactical intelligence, versatility and high performance standards. A product of the EFL academy system, CJ developed through Mansfield Town and Notts County, where he played across fullback, CDM and attacking midfield roles showcasing a rare ability to adapt and thrive in multiple systems.

CJ is particularly recognised for his speed, 1v1 defending, press and ball control, which combined with excellent positioning and strong self confidence, make him an assertive and reliable presence on the pitch. Whether breaking up attacks, driving forward with the ball, or building play from the back, CJ brings clarity, composure and purpose to his game.

Joining Mansfield Town in 2021 and then Notts County in 2022, CJ quickly progressed playing up a year, captaining the U21/B team and training with the first team at just 17. His move from midfield to fullback was marked by rapid growth and a deep understanding of both defensive structure and attacking support. In 2024/25, he gained valuable senior experience on loan at Clifton All Whites first team. Moving into 2025/26, CJ join the Academy at National League side Tamworth FC and since has broken in to making appearances for the men's senior first team along with being dual registered with Nuneaton Town making a strong impact on all fronts.

Off the pitch, CJ is grounded in his Christian faith and driven by a hunger to improve daily. He benefits from mentorship and extra training through his uncle, former Premier League defender Kolo Touré.
